*Final Kodiak Overnight, location TBD. Campers will leave Tuesday AM and return Wednesday afternoon at 3pm.

What to Pack Daily...

A lunch, water, sunscreen, bug spray, a hat, closed toed shoes, and sunglasses in their backpack every day. Backpacks should be comfortable to carry because we will be moving around all day. Make sure campers are already coated in sunscreen before they arrive because counselors will not reapply until later in the day. On lake days campers should wear a swimsuit and bring a towel. Please no flip flops or electronics.
