

Hi Families,

Just a quick update for this week: We have changed our location for tomorrow to West Shore of Union Reservoir. You will see us near the day use parking area. We will stick around that area until 9:30am to make sure we have everyone before proceeding with the day's activities. Please pack a bathing suit and towel for your campers. If you have any specific question about this area please let me know.

On Wednesday we will be meeting at Spicer Reservoir near the dam. Our meeting point is about .8 miles down the forest road from the group campsite. [Here is a link to a map with the meeting point.](#) There we will be climbing new terrain across the dam and enjoying new hikes and swims around the area.

Thursday we will be back in Bear Valley Village and try out new climbing challenges in Box Canyon and swim at the lodge pool if we have time. Please pack a bathing suit and towel for this day as well.

Bring your mountain bike on Friday for our special mountain biking clinic. For those who will not be biking with us, they will play games in town or going on a hike before heading to Bear Lake.

Let me know if you have any questions regarding this week's schedule or need help organizing carpools. I'll do what I can to help.

Kind regards,

Mel Rynd

Camp Director
